

**BROADWAY IMPROVEMENT PROJECT
OPEN HOUSE / MARCH 9, 2017**

VISION STATUS

Staff is completing a Preliminary Draft Vision to guide planning of specific land use planning tools – such as an Urban Overlay District. The draft builds on:

- Public input related to land use planning provided at past public participation meetings and activities
- *Plan Tucson, City of Tucson General & Sustainability Plan*, ratified by the public, November 2013
- Adopted Area & Neighborhood Plans

Upcoming Public Workshops

The Preliminary Draft Vision will be ► shared at public workshops for discussion, comment, and additional ideas; ► presented to organizations upon request; and ► posted online.

When will the workshops be held? ► Workshops will be held this spring and ► notice will be emailed to people who signed in at this and past meetings, to area neighborhood associations, and to Council Ward Offices ► information will be posted on line, and ► flyers posted in the corridor.

Look forward to seeing you at a workshop.
